### ARTICLE 14: PAYROLL SERVICES

#### A. TIMELY AND PROPER PAYROLL SERVICES:

1. TSA will make reasonable efforts to ensure that each bargaining unit employee receives their full compensation due (amount that was due based on payroll transmission) on the established payday at the electronic site designated by the employee. Bargaining unit employees are responsible for reviewing their electronic earnings and leave statements and notifying their local payroll point of contact of any discrepancies. Once per year, TSA will notify bargaining unit employees of the local payroll point(s) of contact for their airport.
2. When a bargaining unit employee does not receive proper base pay compensation on the established payday, TSA will, as soon as the payroll office is notified, authorize payment in accordance with established TSA practice and the bargaining unit employee will receive payment within three (3) to five (5) days. Pay discrepancies requiring investigation will be resolved expeditiously.
